this second edition includes new chapters that address issues such as the role of christian values in black greek letter organizations and the persistence of hazing offering an overview of the historical cultural political and social circumstances that have shaped these groups african american fraternities and sororities explores the profound contributions that black greek letter organizations and their members have made to america

explores the meaning of sisterhood for those who belonged to women's fraternities between 1870 and 1920

the mysterious highly influential hidden world of Yale's secret societies is revealed in a definitive and scholarly history. Secret societies have fundamentally shaped America's cultural and political landscapes in ways that are expected but never explicit. The bonds made through the most elite of secret societies have won members Pulitzer prizes, governorships, and even presidencies. At the apex of these institutions stands Yale University and its rumored twenty-six secret societies tracing a history that has intrigued and enthralled for centuries, alluring the attention of such luminaries as Ernest Hemingway, William Faulkner, and F. Scott Fitzgerald. *Skulls and Keys* traces the history of Yale's societies as they set the foundation for America's future secret clubs and helped define the modern age of politics. But there is a progressive side to Yale's secret societies that we rarely hear about: one that in the cultural tumult of the nineteen sixties resulted in the election of people of color, women, and gay men even in proportions beyond their percentages in the class. It's a side that is often overlooked in favor of sensational legends of blood oaths and toe curling conspiracies. Dave Richards, an alum of Yale, sheds some light on the lesser-known stories of Yale's secret societies. He takes us through the history from Phi Beta Kappa in the American Revolution, originally a social and drinking society, through Skull and Bones and its rivals in the nineteenth and twentieth centuries. While there have been articles and books on some of those societies, there has never been a scholarly history of the system as a whole.

The 1950s are arguably the watershed era in the civil rights movement with the landmark Supreme Court decision of *Brown v. Board of Education* in 1954, the Montgomery bus boycott in 1955, and the desegregation of Little Rock, Arkansas High School in 1957. It was during this period, 1955 to be exact, that sociologist Alfred M. Lee published his seminal work *Fraternities Without Brotherhood*, a study of prejudice on the American campus. Lee's book was the first and last book to explore diversity within college fraternal groups. More than fifty years later, Craig I. Torbenson and Gregory S. Parks revisit this issue more broadly in their edited volume *Brothers and Sisters: Diversity in College Fraternities and Sororities*. This volume draws from a variety of disciplines in an attempt to provide a holistic analysis of diversity within collegiate fraternal life. It also brings a wide range of scholarly approaches to the inquiry of diversity within college fraternities and sororities. It explores not only from whence these groups have come but where

they are currently situated and what issues arise as they progress

drawn from the secret diaries and journals of novelist poet and university professor samuel m steward this is a reconstruction of one of the more extraordinary hidden lives of the twentieth century an intimate friend of gertrude stein alice b toklas and thornton wilder steward maintained a secret sex life from childhood on documenting his experiences in vivid and often very funny detail after leaving academe to become tattoo artist phil sparrow steward worked closely with alfred kinsey on his landmark sex research during the early 1960s steward changed his identity once again this time to write exceptionally literate upbeat homosexual pornography as phil andros an archive of his papers lost since his death in 1993 has provided biographer justin spring with the material for an illuminating life and times biography more than merely the story of one remarkable man this is a moving portrait of gay life long before gay liberation from publisher description
